

TOWNSHIP OF MANSFIELD

June 9, 2016

The Green Team meeting was held this date at the Mansfield Township Municipal Building, 100 Port Murray Road, Port Murray, N.J.

Present : Leigh Raffaele, Joe Watters and JoAnn Fascenelli

Absent : Connie Andershonis, Dawn Smith, Heather Hamilton, Robert Jewell, Elaine Drazek and Alison Lorentson

Recertification: Mrs. Andershonis volunteered to work on the Community Asset Mapping action item.

Carbon Footprint: Most of 2015 data has been inputted. The Green Team is waiting for information from Mr. Ward (DPW Supervisor) regarding 2015 mileage. Mrs. Andershonis stated there is one electric account that requires some additional input.

Backyard Composting Workshop: Workshops are scheduled for July 9, 2016 and July 10, 2016. Event to be held at Pequest Natural Resource Center and Earthworms Plus will be the presenter. Flyer is available at the Municipal Building and will be posted on the Township website.

Materials Reuse Program: The April 22nd – April 24th Town Wide Yard Sale was successful. Some feedback was received indicating that hosting the event on Friday was very popular. Mrs. Smith stated the code worked out very well. A survey will be developed and forwarded to participants for their feedback. Unfortunately 1 or 2 of the larger signs are missing.

Bag-It Program: Mrs. Smith will present the bag-it video to the 5th grade classes of the Mansfield Elementary School on June 13th or 14th. Mrs. Andershonis picked up the bags and video for the presentation. Mrs. Fascenelli distributed the new tote bags to the members present.

Watersense Showerheads: A press release regarding the grant will be forthcoming. A flyer will be developed for distribution and sign up genus will also be available. Once a flyer is completed it will be available at the Township Municipal Building and will be posted on the Township web-site. Flyer will also be handed out during Senior Meetings and the monthly recycling depot. Mrs. Fascenelli suggested including an area on the flyer for residents to include their name, address, and contact information. Mrs. Fascenelli advised the WaterSense Partnership program (use of logo and guidelines) is under review.

SCHEDULED EVENTS:

The Fundamentals of Earthworms & Waste-Reduction – July 9, 2016 – Pequest Natural Resource Center
Vermiculture: The Art & Science of Home-Composting – July 10, 2016 – Pequest Natural Resource Center

Town Wide Paper Shredding Event – October 22, 2016 – 9:00 a.m. – 1:00 p.m. – 1710 Route 57
